Course Evaluations, Academic Honesty, Conduct, and Students with Disabilities

Please refer to our website for details regarding these important topics. http://www.pharmacy.wsu.edu/currentstudents/syllabus.addendum.pdf

Academic Honesty, Conduct, and Behavior

Participants are reminded that they must adhere to the policies agreed to in writing when entering the College of Pharmacy. These are detailed in the Pharmacy Student Handbook under PHARMACY CODE OF PROFESSIONALISM. Departures from this CODE may have serious consequences for academic standing in the class and/or continued enrollment in the College of Pharmacy. Sanctions for violation of the CODE will depend upon the seriousness of the infraction. Furthermore, depending on the nature of the CODE violation, students will be referred to the Student Progress Committee, Director of Student Services or the WSU Office of Student Conduct (www.conduct.wsu.edu). Any CODE violations that constitute an alleged violation in Washington State University's academic integrity standards will be handled directly by the Office of Student Conduct as set forth in "Procedure for academic integrity violations" (WAC 504-26-404). For detailed information on Academic Dishonesty definitions and procedures, see: http://www.conduct.wsu.edu/default.asp?PageID=343. To learn more about what might be considered plagiarism please see: http://www.wsulibs.wsu.edu/plagiarism/main.html

(1) Academic integrity will be strongly enforced in this course. Any participent caught cheating on any assignment will be given an F for the course and will be referred to the Office of Student Conduct. The student will also be referred immediately to the office of the Director of Student Services and/or the WSU Office of Student Conduct.

Course Evaluations

Participant evaluations of courses/course modules and faculty effectiveness are a valuable and important component of the College's commitment to provide quality learning experiences and contribute to our efforts to assure that participants achieve the objectives of our professional degree program. Thus, all evaluations are given serious consideration as part of the assessment process and are read first by the Department Chair or other supervisore before they are processed, analyzed, and given to the faculty. Because the most effective way to impact positive changes is through constructive comments, we encourage you to provide feedback as you would wish to receive it. This will allow the faculty member to focus on improvements or affirm participants' perspective on effective elements of the course.

Students with Disabilities Statement

WSU Spokane Disabilities Language

Participants with Disabilities: Reasonable accommodations are available for participants with a documented disability. If you have a disability and may need accommodations to fully participate in this class, please contact Liz West, Assistant Director of Student Affairs, in Academic Center 130 (liz.west@wsu.edu, 509-358-7534). Campus Safety

The WSU Campus Safety Plan, which can be found at http://safetyplan.wsu.edu, contains a comprehensive listing of university policies, procedures, statistics, and information relating to campus safety, emergency management, and the health and welfare of the campus community. Please visit this web site as well as the University emergency management web site at http://oem.wsu.edu/Emergencies to become familiar with the campus safety and emergency information provided. Everyone should also become familiar with the WSU ALERT site (http://alert.wsu.edu) where information about emergencies and other issues affecting WSU will be found. This site also provides information on the communication resources WSU will use to provide warning and notification during emergencies. It should be bookmarked on computers. Finally, all faculty, staff, and participents should go to the zzusis portal at http://zzusis.wsu.edu and register their emergency contact information for the Crisis Communication System (CCS). Enter your network ID and password and you will be taken to the zzusis portal page. Look for the Pullman Emergency Information box on the left side of the page and click on Update Now to be taken to the registration page where you can enter your cell, landline, and email contact information as well as arrange for emergency text messages to be sent to your cell phone.
